

Our Mission Statement

The purpose of the Westchester Recreation and Parks Society (WRAPS)

is to unite, in one county wide organization, all areas of Recreation and Parks. WRAPS encourages the highest standards of professional qualifications, training and ethics, through the promotion of ongoing professional education programs for all recreation and parks personnel.

Through the continued study and research in the recreation and parks field we support the principles and standards for the improvement of recreation and parks personnel.

The Westchester Recreation and Parks Society will also act as an advocate for the recreation and parks field when necessary. WRAPS will preview all legislation pertaining to recreation and parks and support those bills that are in the public's best interest.

Here is a list of suggested items to donate. Any non-perishable food items would be appreciated.

- Peanut butter
- Canned foods with pop-top lids
- Low-sugar cereals
- 100% fruit juices in single serving boxes
- Canned fruit packed in juice
- Canned vegetables (low salt)

Each year our food banks benefit by the generosity of many people typically around holidays or special occasions.

However, hunger is year-round. Come summertime supplies are exhausted and shelves are bare.

By giving each community's food bank/pantry a summertime harvest, those in need can reap the rewards.

Please be a part of this very worthwhile cause so that our youth, our neighbors and our community can benefit from your efforts.
