

Hello WRAPS Nation!

Flyers, letterheads, binder, stickers...you name it. Anything to do with WRAPS dons the green and white Westchester County outlined logo we've become so familiar with over the years. This logo has been used by WRAPS for over 35 years!

As part of a new fundraising idea to bring WRAPS apparel to the membership, we've decided to give our logo a face-lift! Who better to help design our new logo than our members who make WRAPS the successful organization that is it today? We're looking for new and creative ideas to become or be a part of the new design.

Be part of the new logo! We are asking for you to submit your design ideas to the board for consideration. To motivate those creative brains to submit a design, each person who sends in a submission will receive a free item with the new designed logo! To sweeten the pot and get those creative juices flowing, anyone who submits a design will receive a free item with the newly designed logo!

Submissions are due to Kim (kobrien@bedfordny.gov) or Brittany (bneider@mynewcastle.org) by Wednesday September 13!
